## Description of Documents Requested

Please clearly identify the documents sought. Include dates, times, places, location of incident(s) if applicable.

It may be helpful to exclude certain documents or information from your request if it isn't particularly necessary or relevant. This may allow us to process your request more quickly by potentially reducing the number of documents to assess or removing the requirement for us to consult with third parties. It may also reduce access charges (e.g. if an email is sent to 3 employees, you will only receive one copy of the email, rather than a copy from each email account). Please select one option from each row below:

- 
- Yes, I request all duplicate documents and acknowledge that I will be charged for each page, or
- No, I do not request duplicate documents and agree to these being outside the scope of my request.
- 
- Yes, I request access to third party personal information and acknowledge this will require consultations with all individuals and organisations mentioned in the documents and that they may appeal release to VCAT, or
- No, I do not request access to third party personal information and agree to this being outside the scope of my request.
- 
- Yes, I request access to commercial information relating to third parties as part of the scope of my request and acknowledge that this may increase third party objections to the release of documents within the scope of my FOI request, or
- No, I do not require access to commercial information relating to third parties and agree to this being outside the scope of my request.
- 
- Yes, I agree to receive access to an edited copy of documents with exempt or irrelevant information removed in accordance with s25 of the FOI Act, or
- No, I do not agree to receive access to an edited copy of a document with exempt or irrelevant information removed in accordance with s25 of the FOI Act, and I acknowledge that this means if a document contains irrelevant or exempt material, that access may be denied full, even when there is some information in the document that could be released to me.

By submitting this request to Nature Parks I acknowledge that I:

- have read the information on submitting a FOI request on Nature Parks website;
