

2023 SHARING OUR SHORES

Poster Competition

This summer, Phillip Island Nature Parks wants to inspire students on Phillip Island to create a poster that encourages all beach users to foster respect for their local beaches and wildlife.

Summer months are a busy peak holiday season. During this time, Phillip Island welcomes thousands of visitors who come here to surf, explore local attractions, nature reserves and trails, delight their taste buds in local cafés and restaurants, and simply enjoy their time with family and friends while soaking up sun on a beach.

Phillip Island is very fortunate – so many amazing species call it their home. And during summer months you can help our precious and vulnerable wildlife raise their young safely on our shores.

COMPETITION THEME

This year's competition theme is **"Be a Hoodie Hero!"**. Children are invited to make a poster that will encourage beachgoers to be aware of the nesting shorebirds, to stay on formal pathways and out of the dunes, to keep their dogs on a lead in these areas and to demonstrate what they do to become a Hoodie Hero.
