

## SUMMERLAND PENINSULA'S CHANGING LAND USE

### Phillip Island Nature Parks

The Nature Parks manages \_\_\_\_\_ ha of Phillip Island which is about \_\_\_\_\_ %

Some of the places managed by the Nature Parks include:

---

---

### First People

The traditional owners of Phillip Island are the \_\_\_\_\_ people.

They came to Phillip Island for:

---

---

---

### Exploration and Settlement:

Phillip Island was first mapped by \_\_\_\_\_ in 1798.

Who were the first settlers on Phillip Island and what did they do here?

---

---

---

---

What role did chicory play on Phillip Island, on the Summerland Peninsular?

---

---

---

---

---

**Summerland: 'The Land of Somewhere We Long to Go'**

Who planned the town of Summerland?

---

Describe the first penguin viewing excursions:

---

---

---

---

---

---

---

What were the drawcards of Summerland?

---

---

---

---

---

---

---

## New Wave of Tourism

In 1940 the new \_\_\_\_\_ to Phillip Island was completed.

What did this mean for tourism on the island? Take notes on the interactions between people and penguins.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## Impacts on the Penguins

How did people on Phillip Island negatively impact the penguin colonies?

---

---

---

---

---

---

What initial measures were put in place to try and negate this impact?

---

---

---

---

---

---

## Summerland Buyback Scheme

In 1984 the Penguin Study Group released the findings of the Summerland Peninsula Study. This study estimated that penguins would be extinct on Phillip Island by the year \_\_\_\_\_. In order to protect the penguin population the government followed the Study's recommendations and \_\_\_\_\_.

They allocated \$\_\_\_\_\_ to spend over \_\_\_\_\_ years.

## Summerland Housing Estate

As we walk through the penguin colony and the site of the former Summerland Estate, we will pass a number of places including where the Summerland Guest House was and the site of the holiday home Nanjas. Use the space below to record your impressions of the area and any impacts of the housing estate that you can still see today.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## The Penguin Parade Today

Over time, we have made changes to the way we present information and experiences to our guests. What has changed in our presentation methods?

---

---

---

---

We have also changed the way we manage people when they come to visit the parade. Add information about these methods to the table below.

<b>Management Strategy</b> E.g. boardwalks, penguin crossing	<b>What benefits does this strategy give?</b>	<b>What is this strategy trying to prevent?</b>

## The Establishment of the Phillip Island Nature Parks

Why was the Penguin Reserve given management of the Koala Conservation Centre?

---

---

---

When were the Nature Parks established? \_\_\_\_\_

Why were they established?

---

---

---

---

What can you see in the future of the Penguin Parade and the Summerland Peninsula? What are some issues that still need to be solved and what would you do to solve them?

---

---

---

---

---

---

---

---

---

---

---
