# SEPTEMBER HOLIDAY ACTIVITIES PROGRAM

## Activity Descriptions

### Barrack for Bandicoots:

Come and visit our rangers at their display tent in Cowes or San Remo to learn about Eastern barred bandicoots and threatened species on Phillip Island.

**Location:** Cowes- look for us out front of the Cultural Centre. San Remo- look for us on the foreshore. Bookings are NOT required.

### Bugs, Bandicoots & Digs:

Visit Churchill Island and join our rangers to learn more about the amazing Eastern barred bandicoots who now call this area home. The rangers have some fun bandicoot and bug craft so join in!

**BOOKING REQUIRED.** Children must be accompanied by an adult, minimum age 5 years.

### Koala Prowl:

Venture into the night with Phillip Island Nature Parks' rangers for a close encounter with the creatures of the Koala Conservation Centre. Try to spot koalas, possums, bats and more.

**BOOKING REQUIRED.** Children must be accompanied by an adult, minimum age 5 years.

### Marine Madness – Beach Explorer:

Discover the wonders of the deep without the need for any fancy dive equipment on this ranger guided search. We will search the beach and explore the many treasures washed ashore from the depths of the sea!

**BOOKING REQUIRED.** Children must be accompanied by an adult.

### Nature Scavenger Hunt:

Explore Phillip Island's bushland on this ranger led scavenger hunt.

**BOOKING REQUIRED.** Children must be accompanied by an adult, minimum age 5 years.

### Wild Art & Craft:

Have fun creating art and craft masterpieces in this nature inspired session!

Bookings are NOT required, participation available anytime between 10:30-12:30pm at the Koala Conservation Centre (entry to the koala's is not required to join in). Children must be accompanied by an adult.

### Rockpool Spotlight:

Come and join us for the after dark action of the rockpools. Delve into the mysterious lives of our rockpool creatures as our rangers enthral you with the incredible diversity and abilities of the animals that live here.

**BOOKING REQUIRED,** children must be accompanied by an adult, minimum age 5 years.

### Walk the Nature Park:

Come and explore Phillip Island Nature Parks with a ranger and learn more about our beautiful environs!

**Location:** See calendar. Bookings are not required for this activity.

### Phillip Island Nature Parks' education rangers hold current Working with Children checks or Victorian Institute of Teaching Registration. Each ranger is highly skilled in environmental education.

The WEATHER is unpredictable and out of our control. Outdoor activities will be cancelled if it is raining or if too hot, call us on the day for details. PLEASE be prepared, with sunscreen, hat, coat, sensible shoes and a torch for night activities.

**THANK YOU** to our dedicated sponsors, volunteers and YOU for supporting this program. Every dollar you spend at Phillip Island Nature Parks contributes to conservation, education and research.
