Phillip Island Nature Parks' Education Rangers hold current Working with Children checks or Victorian Institute of Teaching Registration. Each ranger is highly skilled in environmental education.

The WEATHER is unpredictable and out of our control. Outdoor activities will be cancelled if it is raining or if too hot, call us on the day for details. PLEASE be prepared, with sunscreen, hat, coat, sensible shoes and a torch for night activities.

THANK YOU to our dedicated sponsors, volunteers and YOU for supporting this program. Every dollar you spend at Phillip Island Nature Parks contributes to conservation, education and research.

## ACTIVITIES

### Bubbles not Balloons:

Balloons are a huge killer of our marine life, so come and join our rangers to learn how you can help and have plenty of fun with bubbles instead of balloons.

**Location:** Penguin Parade Visitor Centre. *NO bookings required.*

### Bugs, Bandicoots & Digs:

Meet our rangers on Churchill Island to learn more about the amazing eastern barred bandicoots that now call this area home, and join in on some fun bandicoot and bug craft!

**BOOKINGS REQUIRED** \*Minimum age 5 years, all children must be accompanied by an adult.

### Koala Prowl:

Venture into the night with our rangers for a close encounter with the creatures of the Koala Conservation Centre. Try to spot koalas, possums, bats and more.

**BOOKINGS REQUIRED** \*Minimum age 5 years, all children must be accompanied by an adult.

### Marine Madness:

Come and explore the amazing beach finds our rangers have on display.

**Location:** Cowes Jetty. *NO bookings required.*

### Recycled Art Workshop:

Let's have fun as we learn about recycling and making art all in one fun session.

**BOOKINGS REQUIRED** \*Minimum age 5 years, all children must be accompanied by an adult.

### Rockpool Ramble:

Explore the secret life of an elephant snail or look at the eating habits of an eleven arm sea star on one of our fascinating rockpool rambles.

**BOOKINGS REQUIRED** \*Minimum age 5 years, all children must be accompanied by an adult.

### Rockpool Spotlight:

Come and delve into the mysterious lives of our rockpool creatures after dark as our rangers enthral you with the incredible diversity and abilities of the animals that live here.

**BOOKINGS REQUIRED** \*Minimum age 5 years, all children must be accompanied by an adult.

### Shearwater Sunset:

Discover the world of the short-tailed shearwater on this ranger led walk and talk. You will be amazed!

**BOOKINGS REQUIRED** \*Minimum age 5 years, all children must be accompanied by an adult.

### Walk the Nature Parks:

Come and explore Phillip Island Nature Parks with a ranger and learn more about our beautiful environs!
